Server Rules

Welcome to the 1st Airborne Assault Rifles Website.

Please make yourself familiar with the rules and conduct expected from players on 1st{AA}Rifles servers. It is your responsibility to know the rules, failure to do so may get you kicked or banned from the server/s.

Cursing on the server will be tolerated as long as it not excessive and does not the involve the verbal abuse of other players or admins. In light of this, it would be preferred if you could keep the language as clean as possilbe. Bullying and racial or sexual slurs will not be tolerated.

We expect the rules to be observed in order to keep the servers free from offensive matter. Admins are present who will enforce the rules by various means. Complete disregard for the rules or direspect toward the server or its admins will eventuate in a Permanent BAN.

We have ZERO tolerance for Hackers. Hacks are for losers who have no skill or just like to spoil fun for others, that is not exceptable, so leave them OFF!

Hackers will be BANNED without warning.

If you get banned and feel that the admin has made a mistake, please go to Banned Players forum and post your case. Your case will be reviewed asap.

Enjoy your time on the servers and treat others as you would have them treat you.
